I thought Ardra already sent the MTA? See attached pulled from an earlier email (I think last Friday)...

Dear Laura et al,

I wanted to write to thank you very much for taking the time to hold the conversation with us on Wednesday. It was very helpful for us to understand the agreements you sent, and we will be sending the CRADA to you with our thoughts soon. Avi and his technical team will be arriving in Cincinnati later this week, and will present Water-Gen's products more fully and comprehensively as well. If you could please send us in parallel the MTA as agreed during the

call last week, we would greatly appreciate it.

Best Regards,

Hello Zach. I just sent you a meeting invitation for a phone call on Wednesday. I know it's short notice. I looked out on our calendars here in DC and the next date wouldn't be for at least a week.

I'm hoping you and your team will be free on Wednesday at 5:00 pm your time (10:00 am Washington DC time). If not, please let me know and I'll try again.

I look forward to speaking with you! - Laura

Subject: [SPAM] Phone-call schedule

Dear Laura and Geoff,

I hope this email finds you both well! Liat is our Head Counsel at Water-Gen, and she has been going over the various documents sent to us by Ardra last week. She wants to make sure that she understands certain issues, so I thought I would introduce you all as the respective "team leads" for all legal issues in order to facilitate a conversation.

Could you suggest some relevant times for a call? FYI - Israel is 7 hours ahead of EST (7:00 PM here is 12:00 PM EST), so perhaps we can schedule a call sometime during the morning hours your time.

Thanks so much!
